THE OLD SOLDIERS WILL NOT COME

Coshocton Will Not Get the Grand Army Encampment.

PLAN HAS BEEN ABANDONED

Because Local Interest Was Not Sufficiently Aroused to Give Proper Encouragement.

It is probable Coshocton will not have the opportunity of entertaining the Grand Army, Division of Ohio, one year from next May. Richard Lanning Post has abandoned the idea brought out at a meeting held last winter.

The movement to have the encampment held in the city originated with veterans who believed it would be a great advertisement for Coshocton and would spread its name to all parts of the country. They knew they would have to do battle royal for the honor, and that requests without substantial financial backing would count for almost as much as a feather in a gale. But they were willing to undertake it, and a committee was ap-

pointed to investigate the advisability of carrying out the plan.

The committee investigated. The members know Coshocton would greet the proposition with enthusiasm, but whether the money required to back their bid for the encampment could be raised was another matter. They looked over the field carefully, and laid their plans before a number of residents closely identified with the progress of Coshocton. No attempt at raising the money was made, the movement being more in the nature of sounding sentiment. The advice given was not of the most encouraging nature and it was decided to abandon the plan.

It is deeply regretted that the plans of the old soldiers could not be carried out. Coshocton would have derived benefit from the great gathering and would have proved beyond doubt the abilities of this place as a convention city. It would have taken a hard fight to secure the encampment, but if Coshocton had gone after it as it goes after all other things there is no doubt as to the result. We would have won.

CITY'S HOUSECLEANING.

It Has Commenced and Doctor Foster is Pushing It.

The city's housecleaning has commenced, and Doctor Foster is pushing it with all the energy at his command. The health officer is notifying a great many people in person, but he feels confident there are hundreds of families in the city who need no notice to clean about their premises. These he asks to take up the work at once and give their places a thorough renovation. Only in this way can the city be well cleaned before the hot days of summer come.

HON. JOS. W. DWYER DEAD.

Pittsburg Newspaper Says He Expired At Millburn, N. J.

The Pittsburg Post of today contains this announcement:

Joseph W. Dwyer, a prominent real estate man and coal mine owner, of Eaton, New Mexico, died at Millburn, N. J., aged 69 years. He was born in Sharon, Ohio.

Mr. Dwyer's friends in this city have not been informed of his death.

SAPHO THIS EVENING.

The Bill To Be Presented at the Opera House.

"Sapho," which will be presented at the opera house tonight, is a play that the world has been talking about. The costuming of the first act has been changed to make the play a society bill for a lady audience, and ever feature which would in any way offend, has been eliminated. There will be some of the handsomest costumes worn ever displayed by any company.

The grand ball scene in the first act of tonight's play at the theater is costumed in the beautiful French royalty dress of the sixteenth century and makes one of the prettiest stage pictures imaginable. The character of old Uncle Cessire keeps the audience convulsed in laughter.

HAMMOND MAY DIE.

He Suffers From Stomach Trouble and is in a Bad Way.

J. J. Hammond, who until a few weeks ago was employed at Hotel Mecca as bartender, is so ill at the residence of O. W. McMannis that it is feared he cannot recover.

Hammond is rooming at the McMannis residence and became suddenly ill. He has been better several times but he is now growing weaker every day. Hammond is from Jefferson county, and at one time was a horseman whose name was known on all the tracks in this section.

We have placed in stock some ingrain with border and ceiling to match. They make a very showy room. W. A. SMITH, Park Block.

FUN ON THE BENCH.

Judge Voorhees Kept a Straight Face With Great Difficulty.

No man enjoys a joke better than Judge Voorhees, and although he is counted an able judge and his opinions are always heard with close attention by the attorneys in the various counties of the circuit he never fails to enjoy the many ludicrous situations that are constantly appearing in the courtroom.

Last week circuit court adjourned its session in Knox county, and as usual there was an amusing case. The interested parties were octogenarians and the amount involved was \$8. The litigants at one time became involved in a personal encounter, and one attempted to escape from a man and his wife by climbing a barbed wire fence. It was disastrous, and Judge Voorhees in speaking of the matter said he could not refrain from an occasional thought of that old man hanging to the fence by the interesting part of his trousers while the old lady and gentleman belabored him with clubs. He escaped by cutting the fence. Hence the suit for \$8 damages.

Circuit court is now in session in Newark, and it will be four weeks before the work is completed.

MRS. ARONHALT VERY ILL;

She Was Brought From Columbus Where She Was Taken Last Fall.

Mrs. Louis Aronhalt was brought from the hospital at Columbus Saturday evening and is very ill. She was taken to the home of J. E. Aronhalt on Cambridge street, being too ill to be taken to the home of her daughter, Mrs. John Perkins, at Morgan Run. Mrs. Aronhalt was taken to the hospital last fall for treatment.

Remember the 15 cent supper given by the Ladies Aid of the M. P. church in the Sunday school room tonight. A cordial invitation extended to the public.

The Rebekahs will give a twenty-five cent supper in the O. O. F. hall, Thursday evening, March 28. Everybody welcome and assured a good time. Music by orchestra.

Opening Days.

A BAD TEN.

It Is a Dangerous Counterfeit and Will Catch the Unwary.

Another new and dangerous counterfeit is reported to have made its appearance. This time it is of the ten dollar silver certificate variety, and bears the vignette of Vice President Hendricks.

It is said that the imitation is excellent, and the reproduction is done with exceptional accuracy. There are no glaring discrepancies about it, but it can best be detected by the general effect of the engraving and coloring. The seal in the counterfeit is a little off color, lacking as it does the clear carmine in the genuine.

MAKING UP LOST TIME

Hard Work Being Done in the Public Schools.

ATTENDANCE HAS BEEN POOR

In Some Rooms One-fourth of the Pupils Have Been Out Because of the Mumps.

Some surprise will be felt throughout the city when it is known that the public schools will close next Friday afternoon without the usual special exercises. At present it is the plan to work until time is called and then quietly dismiss the youngsters for a week. But there is a good reason for the innovation.

When the mumps, grip and sundry other diseases appeared in the city their influence was felt in the schools. Pupils began to drop out one by one at first, and then in such numbers as the mumps assumed the proportion of an epidemic as to seriously handicap the task of teaching the young idea. Soon the attendance in one room was cut down one-fourth and there was no remedy. When the children recovered they returned to their studies, but by that time others had been attacked and the attendance reports showed no increase.

This has been going on for months and is still in progress. Spring weather, however, is having its influence and the rooms at the various buildings show more animation. Yet it is not all over by any means. The schools are still handicapped by the absence of many pupils, and the mumps continue to claim victims. Those who have returned to school are endeavoring to make up for lost time, and some progress is being made. In order that not even half a day be lost studies will be continued until the last moment before vacation. It is hoped that when school opens again the epidemic will have run its course and the schools will be filled once more. It has been a mighty trying time for all interested, and Coshocton children have seldom spent a few months so filled with idleness and inconvenience.

A Good Cough Medicine For Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children and it cured my son of a severe cold and cough." Sold by C. E. Anderson, No. 2, Forbes block.

NO STAMPS ON BONDS.

Of State, County or Municipal Officers in This Country.

It may interest some of the gentlemen who are candidates for office that should they be elected they will not be required to put revenue stamps on their bonds.

Judge Thompson, of the United States circuit court for the Southern district of Ohio, recently ruled that a revenue stamp cannot be required on an official bond of a notary public, and the decision has been affirmed by the United States court of appeals. The question of the necessity of stamping notaries' bonds has caused trouble since the enactment of the revenue law. Up to this time, in order to be on the safe side, the governor's office has insisted that such bonds must be stamped.

Headache often results from a disordered condition of the stomach and constipation of the bowels. A dose or two of Chamberlain's Stomach and Liver Tablets will correct these disorders and cure the headache. Sold by C. E. Anderson, No. 2 Forbes block.

KIDNEY DISEASE CURED

Relief Came to His Aching Back from the First Bottle, and now this Scranton Miner is Absolutely Cured of Kidney Trouble by using

DOCTOR DAVID KENNEDY'S Favorite Remedy

This man is only one of many thousands who have been cured by Favorite Remedy. It illustrates what this great medicine is doing for humanity, and shows how unnecessary it is for anyone to suffer from Kidney Trouble. It shows how quickly relief will come and how surely a cure will be effected. Listen to his story:

"Scranton, Pa., March 30, 1900. Your trial bottle came to hand safe. I took the medicine as directed. Then I bought a big bottle and have taken that all, and I am now taking the second and I do feel a new man. I have no pain in my back. It is good for the kidneys, and I do recommend it to all that complain of a lame back. I don't have any need of a doctor so long as I can get the price of a bottle of Doctor David Kennedy's Favorite Remedy."

WM. P. REESE.

This "trial bottle" that he mentions is a sample that we send free to anyone who would like to try before they buy. We know Favorite Remedy will cure, so we are willing to stand the test.

Symptoms of Kidney Disease
If you have a lame back, frequent desire to urinate, and a scalding pain in passing water; if your urine stains linen, put some urine in a glass tumbler, let it stand twenty-four hours, see if there is a sediment or a milky, cloudy appearance.

Lightning Speed Between Dennison and Columbus

Lightning Speed Between Dennison and Columbus

THIRD AND FOURTH TRACKS

Will Be Built Within the Next Two Years When the Best Time in the World Will Be Made.

There are dreams and dreams. Some of them form fancifully in curling rings of bluest smoke. They are styled visions of the pipe. Others are firm seated in the brains of men who have millions of money and the confidence of capital behind them. They are known as enterprise and push. Such are the dreams of the officials of the Pennsylvania lines west of Pittsburgh, particularly the men who control the Southwest system.

Every man who has held the position of general superintendent of the Pan Handle for many years has thought of the day when trains would whirl between Dennison and Columbus with lightning speed, and no obstacle would intervene to prevent through passenger trains from reeling off 90 miles an hour with ease. Some men have died thinking of it. Others have been advanced to higher positions still adhering to their pet theory. All have done something to bring about the desired result. Now they say it is only two years away.

Preparations are now in progress for the third and fourth tracks between Dennison and Columbus. Already there are miles of third track on the joint division between Newark and Columbus while some attempt, less pretentious, has been made between Newark and Dennison. The last named section is the best on the division and it is stated it will be made the finest on the Pennsylvania system. The elimination of the grade at the cut west of Uhrichsville will give 67 miles of the finest track in the United States. Over this part of the road it will be possible to run trains 90 miles an hour with perfect safety.

Coshocton will thus be given the opportunity to witness some fine running in this vicinity, and trainmen say it will not all be done by the heavy through trains.

Fought to a Draw.
Louisville, March 26.—Kid Carter of Brooklyn and Jack Bonner of Philadelphia met for a 20-round bout at Music hall, which resulted in a draw, owing to the decision of the local referee. The crowd, however, showed that it thought the decision should have been given to Carter. Bonner was knocked down several times, while Carter was fresh at the end. The fight was fast for all of the 20 rounds.

Malay Outbreak Feared.
Cape Town, March 26.—The threatening attitude of the Malays respecting the bubonic plague regulations causes the local authorities much uneasiness. Two Malays died of the disease and three fresh Malay cases were officially reported. In addition to these there are six fresh European cases. A soldier in the queen's regiment has been isolated under suspicion. Two Kafirs succumbed to the plague.

Mr. J. W. Patterson, night police at Na shua, Ia., says: "In January I had a very bad cold on my lungs, and used half dozen different cough medicines and prescriptions from two doctors, but grew worse all the time. I finally bought a bottle of Foley's Honey and Tar and using two thirds of it, I was entirely cured." C. E. Auderson.

Public Endorsement Is What Counts

Everybody has their hour of trouble, but people having any itchiness of the skin

Have many hours of trouble. Nothing so annoying. Nothing so irritating. Scratch it, it becomes worse. Leave it alone and you can hardly stand the misery.

Itchiness comes in many forms. Eczema and horrid itching piles. Relief and cure are here at last. Thousands have put it to the test. Doan's Ointment cures every form of itchiness of the skin.

Read the following statement.
Mr. William N. Steel, of 269 1/2 High street, south, Columbus O., conveyancer, says: "I have no hesitation in recommending Doan's Ointment as a thoroughly reliable preparation for rectal troubles and eczema. I supposed it was eczema, as there was a breaking out on my hand which itched continually and burned so that I was compelled to rub it constantly. Doan's Ointment cured the affliction at once, and also another trouble resembling hemorrhoids, and up to date there has been no indication of its return, although the cure was performed over six months ago. I cannot say too much in praise of Doan's Ointment, and anyone suffering as I did who uses it will be quite as enthusiastic in its praise as I am."

Doan's Ointment for sale by all dealers. Price 50 cents a box. Mailed on receipt of price by Foster-Milburn Co., Buffalo, N.Y., sole agents for the United States.

Remember the name, Doan's, and take no substitute.

An Infuriated Wife.

REMARKS DATES.

She Will Lecture in Coshocton One Fifty Per Lecture.

The enterprising individual who is managing Carrie Nation's lecturing trip is sending letters to many towns in Ohio asking dates for the famous speaker.

He demands \$150 per lecture and some dates have already been secured. She has been billed in Cincinnati and Cleveland, and if Toledo is real good she will stop there. She wants to visit many towns, but unless the manager brings down the price it is safe to predict Carrie will not come to Coshocton.

NOTHING BEING DONE

Looking to the Paving of Fourth Street This Year.

It was expected last fall that Fourth street residents would petition council to pave that thoroughfare during the summer, but the project seems to have dropped out of sight.

A petition was circulated but it did not meet with the encouraging response necessary to make the movement a success, and it was dropped.

It is not known when it will again be taken up.

FIND THE DONKEY.

It is on the New Ten Dollar Bill and is Very Plain.

A party of friends were talking together in the Elks' club Monday evening when one drew a new \$10 bill from his pocket and innocently asked if any one knew where to find the donkey on its face. All protested against the possibility of such a thing but he was in earnest and proved his point.

At the bottom of the bill, on the white surface, is a representation of the great American eagle. Its wings are spread and the bird is shown in all possible grandeur of position. Turn the bill upside down and look at the eagle from that point. It has ceased to be an eagle, and instead is the perfect head of a donkey, ears, hair and all.

The party was astonished, but there was no denying the presence of the Rocky Mountain nightingale. If you don't believe it look for the gentleman and you will find him.

SUNDAY FUNERAL QUESTION.

Announcement of the Ministerial Association Excluded Interest.

The announcement in THE AGE last evening that the newly organized ministerial association had decided to discourage Sunday funerals caused interest throughout the city.

"The principal reason for our action," said one minister, "lies in the fact that the average preacher works hardest on Sunday and some are unable to stand the strain. The majority of ministers have four services every Sunday, and when a funeral or two is added it is more than the average man can stand. When burials take place during the week it is easier for all concerned and I think much better. It should not be misunderstood, however, that this action of the association cuts off all Sunday funerals and puts on end to the practice in Coshocton. There are times when it is necessary that funeral services be held on Sunday, the time at which the person died making it so. Of course such circumstances cannot be avoided, and no minister would object, no matter how difficult the task, to be present on such occasions. It is when funerals are delayed in order that interment be made on Sunday that we object."

WAIVED EXAMINATION.

George W. Houck Was Held to the Grand Jury Without Bond.

George W. Houck, accused of the murder of Mrs. Sarah Jane Hess at Bladensburg, was arraigned before Squire J. L. Leonard at Mt. Vernon, Monday morning about 9:30 o'clock.

The arraignment took place in the county jail in the presence of Frank Moore, one of the attorneys for the defense, and Sheriff I. C. Lynde. Houck was not taken out of his cell. The reading of the warrant was waived. Houck pleaded not guilty and waived examination and was bound over to the May term of the grand jury without bond.

Coroner Singery has filed his finding in the Hess inquest with the clerk of courts. The testimony is made up of 54 type written pages, but contains nothing more startling than has been published. He does not hold Houck responsible for the murder. The verdict is: "After having heard the evidence and examined the body, I do find that the said deceased came to her death by violence inflicted by party or parties unknown to me."

JUDGE DIDN'T COME

Buckeye Delegation.

Washington, March 26.—General Grosvenor of Ohio has practically completed the arrangements for the trip of the Ohio congressional delegation to San Francisco on the occasion of the launching of the battleship Ohio. The only point still in doubt is whether the return trip from Duluth to Cleveland should be by boat or by rail. It is understood that one and possibly two special trains will convey Governor Nash and the other Ohioans to the launching.

Disaster in a Mine.

Connellsville, Pa., March 26.—A fatal mine explosion occurred in the new Klondike region of Fayette county. One man was killed instantly, five will die and 10 are burned and crushed so terribly that it is doubtful if they will recover. As a result of the explosion the mine is on fire. The cause of the explosion was an accumulation of gas in the heading of the Gates mine. The same instant that a blast was touched off there was a blinding flash which suddenly filled the entry in which the miners had taken refuge. Many of the victims were foreigners. All of the miners were brought to the surface.

Mother and Child Fatally Burned. Chicago, March 26.—Mrs. Albert Fredley, while holding her 10-month-old baby in her arms, attempted to start a fire in the kitchen stove by using kerosene. An explosion resulted, the burning oil almost completely covering Mrs. Fredley and her child. Before neighbors could extinguish the flames, both Mrs. Fredley and her baby were so badly burned both will probably die.

PUNY CHILDREN

TOO MANY OF THEM DIE.

Their Little Bodies Unable to Stand the Ordeal of Development.

WE THINK EVERY MOTHER IN THIS TOWN SHOULD KNOW ABOUT VINOL.

It is the Delicious Tonic We Advise for Growing Children.

Is your boy or girl pale and listless? Do they act differently from other children? Do they sleep poorly and eat poorly? Does your boy avoid the sports and games of other boys? Does your girl complain of headache and find her studies a hardship? If so, you may make up your mind they are growing too fast. They need something to help nature in her great work of furnishing the necessary elements for creating flesh and muscle tissue, bone structure and rich, pure, red blood.

They need a tonic in the full sense of the word and we can tell you what to get. It is Vinol Wine of Cod-Liver Oil, the great modern reconstructor. Children like it, it is so delicious to the taste, in spite of the fact that it contains a highly concentrated extract of the medicinal principles that are found in cod-liver oil.

But because the vile-smelling and tasting grease has been discarded and all of the other disagreeable features eliminated, the benefits of Vinol are easily understood.

Vinol acts favorably on the stomach, creates an appetite and enables the food that is eaten to do the greatest possible amount of good.

Following is a letter that bears directly on this subject:

"I was all run down and took Vinol. It did me so much good and it was so pleasant to take that I gave it to my children. They were growing fast and needed something in the way of a tonic and I found it to be just the thing for them."—SARAH PICKERING, 1932 Fall River, Mass.

We cordially invite mothers interested in the welfare of their children, as well as any one else needing a sure, safe and delicious tonic, re-builder and rejuvenator, to call on us. We will gladly tell any one all we know about Vinol and why we so highly endorse it.

Inasmuch as we are always ready and pleased to refund the cost of Vinol to those who don't find it exactly what we claim it to be, it will be seen that we are prepared to substantially endorse our claims for the excellence of this marvelous preparation.

TWO NOTES.

Were Not Met at the Proper Time and the Case Is in Court.

D. M. Osborne & Co., filed suit in common pleas court Monday against W. K. Sisley, of Avondale, and, asks judgment against him for \$125 with interest from September 1, 1898.

The plaintiffs say they received two notes of \$62.75 each, dated Sept. 1, 1898, one due in one year and the other in two years from date. They bore six per cent interest. No payments have been made on the notes, it is claimed, and the court is asked to render judgment. Captain J. M. Compton is attorney for the plaintiffs.

"I had a running sore on my leg for seven years," writes Mrs. Jas. Forest of Chippewa Falls, Wis. "and spent hundreds of dollars in trying to get it healed. Two boxes of Banner Salve entirely cured it." "No other salve so healing." C. E. Anderson.

Fountain Items.

Easter Greeting

The store is rapidly assuming its annual Easter appearance and everything is arranged and displayed for the benefit and comfort of our patrons.

Guess you'll say with others "never looked so nice." New spring stuffs are here, every department chock full. Will be very glad to have all our friends call during next week 10 days and enjoy the display and investigate the bargains we are offering.

Every department is taking on spring activity. The new lines of spring fabrics are very handsome. We think designers and weavers have never shown the work of real artists as they have this season.

Petticoats

Our line is the most beautiful we have ever shown. Both taffeta silks and mercerized goods. They are about 25 per cent. under any former values we have ever offered. You will be able to see the saving we make for you at once. In mercerized goods the range is from \$1 to \$4. In taffeta from \$5 to \$10. See them.

Shirt Waists

Shirt waists are coming in profusion.

For next 3 weeks a constant stream of wash waists will flow into the Fountain. Be prepared for the most beautiful line of these seasonable articles ever shown in our city. White waists from 50c to \$5. You'll be delighted with them.
